

Citizens for John Persell 2020 Radio ads.

1)

This is State Representative John Persell.

An educated workforce means a thriving economy, good jobs, and an opportunity to take care of our families. Now more than ever we need to fully fund all areas of education. COVID virus may have changed how our students are learning, but education funding will continue to be one of my top priorities as we go forward. Early voting is now open. I appreciate your vote for me John Persell.

This is State Representative John Persell.

This has been a difficult year. The challenges from the COVID virus have made it even more important that we make sure all Minnesotans have affordable health care, that our children have access to a world-class education, and that we have broadband and strong infrastructure to help us all learn compete. I'm focused on building a better future for all Minnesotans.

Early voting is now open. Please vote for me John Persell.

AANIIN, this is State Representative John Persell. As a father, grandfather, Vietnam veteran and American Legion Post Commander, I bring common sense leadership to the Capitol to make life better for our veterans who served and sacrificed for our country. I'll keep fighting for our Bemidji veterans' home and to ensure our veterans are treated with care and respect.

Early voting is now open. Please vote John Persell. Chi-migwetch.

This is State Representative John Persell. Our country is divided politically and some days it's tough to find common ground. During my time at the Capitol, I've worked across the aisle to get things done because we all want the best for our families and neighbors. That's the kind of government Minnesotans expect. I am hopeful and determined that, together, we will continue to make Minnesota a place we all are proud to call home.

Early voting is now open. I appreciate your vote for me John Persell.

COVID-19 has upended our lives. I'm State Representative John Persell and I'm fighting to help us recover from the pandemic, by ensuring frontline health care and public safety workers receive workman's comp if they get sick, by providing loans to small businesses, and expanding testing to keep us all safe. Nothing is more important than the health and safety of Minnesotans. Together, we will get through this and continue to build a better future for our families.

Early voting is open now. Please vote for me John Persell.
